As a client of Kilara Financial Solutions Pty Ltd you have the right to ask about our charges, the type of advice we will give you, and what you can do if you have a complaint about our services. Key information about our organisation, your adviser and our support services are set out below in a question and answer format. If you need more clarification please ask us.

You should also be aware that you are entitled to receive a Statement of Advice whenever we provide you with any advice, which takes into account your objectives, financial situation and needs. In the event we make a recommendation to acquire a particular financial product (other than securities), we must also provide you with a Product Disclosure Statement containing information about the particular product, which will enable you to make an informed decision in relation to the acquisition of that product.
